

Purpose of the Role:

Over the last few months we have stocked libraries across Merton with seeds to help improve the biodiversity of the borough and to improve the connection between neighbours. The purpose of this role is to keep local Seed Libraries tidy, stocked, and welcoming for the community.

Main Responsibilities:

- Visit your assigned Seed Library every two weeks (shared with a buddy).
- Record and sort seed donations.
- Restock with seeds from the Sustainable Merton team.
- Keep the space tidy and leaflets up to date.

Skills you need and what we are looking for:

- Reliable and organised
- Able to take notes and share updates
- Proactive in requesting top-ups of flyers, seeds, and other materials when needed

Commitment:

- Approx. 1 hour every fortnight.
- Ideal for volunteers who prefer regular, low-pressure tasks.

Role Supervisor & Support Provided:

- Your role supervisor is Hanna Dunnell - e: seedlibraries@sustainablemerton.org, they will support you with;
 - An online induction.
 - Advice emails, Calls, WhatsApp support, and more direct in person support where needed.
 - Seed supplies, publicity, and team contact.

Location:

- One or more designated Libraries in Merton
- [Google Map for Canons Community Garden \(Canons House & Grounds\)](#)

Benefits:

- Strengthen local connections and building community resilience
- Enhancing your local environment and green spaces
- Sharing your skills to upskill others and grow collective knowledge
- Making a meaningful contribution to a greener, fairer Merton
- Joining a vibrant volunteer community and celebrating together at our Volunteer Celebration events.
